"What amazing hosts . Everyone was friendly and caring. Accommodations were superior. The venue went above and beyond to satisfy the entire wedding party including ensuring that my son's vegan diet was taken care of. The rooms were spectacular and the food was fabulous. We couldn't have ask for finer. If you have a big event or even a special weekend getaway planned I highly recommend you contact Duncraig Manor and Gardens to make it even more special ."- Teresa

THE GARDEN PACKAGE

The "garden package" can be added during the time between the ceremony and reception. The garden package allows our bartenders to start serving drinks from the bar and includes 6 decorated high top tables for guests to enjoy their drinks and Hors d'oeuvres.. This will take place at our newly built patio adjacent to our pavilion..

Guests will make their way into the pavilion when it is time to for your grand entrance!

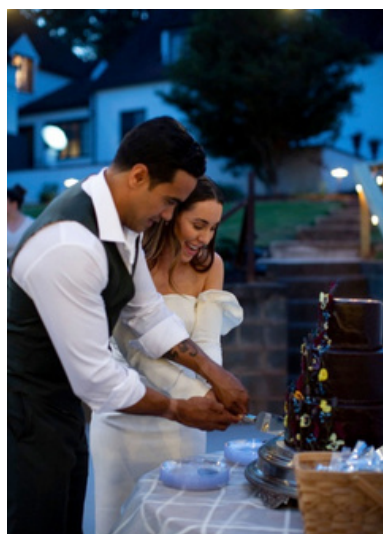

THE RECEPTION

Now it's time for the party! Your reception will take place under our newly built pavilion. This is the time to enjoy a delicious meal from our in house caterer, cut your wedding cake, listen to toasts from your loved ones, and dance the night away under the market lights (and stars)!

Add some additional touches like our favorite band, a photobooth, or fire pit which will allow any and every guest to be entertained throughout the night. And don't forget the bar! Our bar service includes the setup/clean up of your bar, bartenders, and glassware! All you need to do is bring your favorite beer and wine options, and ice for us to serve your guests! (Sorry no liquor permitted.)

End the night with a memorable grand exit! Congratulations to the newlyweds!
